

# HAPPY CATS COMES FROM CLEAN CATS

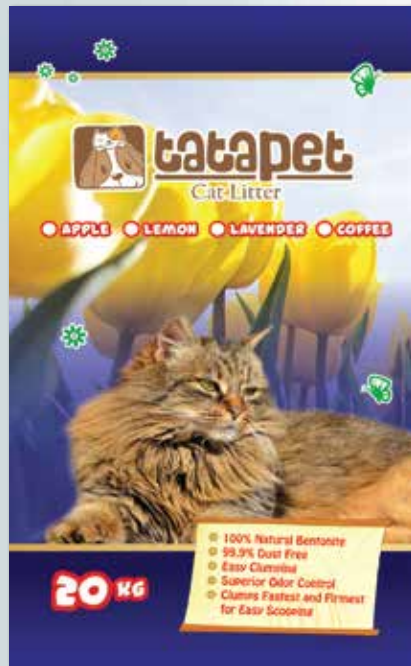

## Scented Cat Litter *sand*

100%  
Natural  
Bentonite

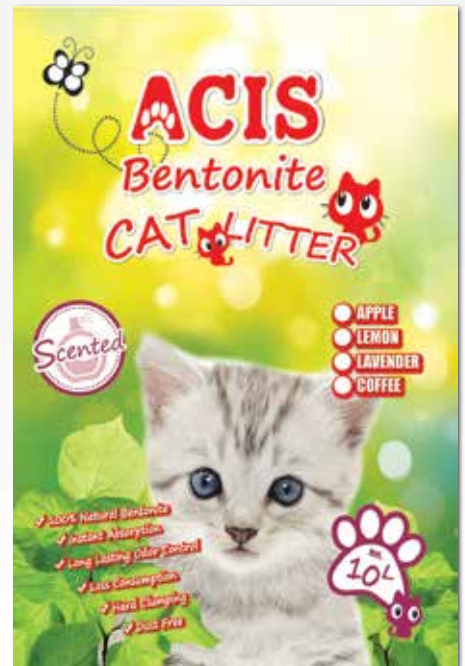

To achieve excellent deodorization function and strong clumping action, we make our efforts to produce our cat litter by applying 100% sodium bentonite clay raw material and the adoption of advanced manufacture facilities. Distinctive dust eliminating processing procedure well serve to remove the dust included in cat litter by 99%, remarkably ensuring the fresh air indoor and creating a comfort and agreeable surrounding for you and your cats.
