

# CAT SCRATCHER

[www.ptacis.com](http://www.ptacis.com)

# TOUR BUS SHAPE

A cheerful and colorful tour bus-shaped cardboard cat scratcher. Its unique design not only serves as a scratching post but also as a fun play area and hideout.

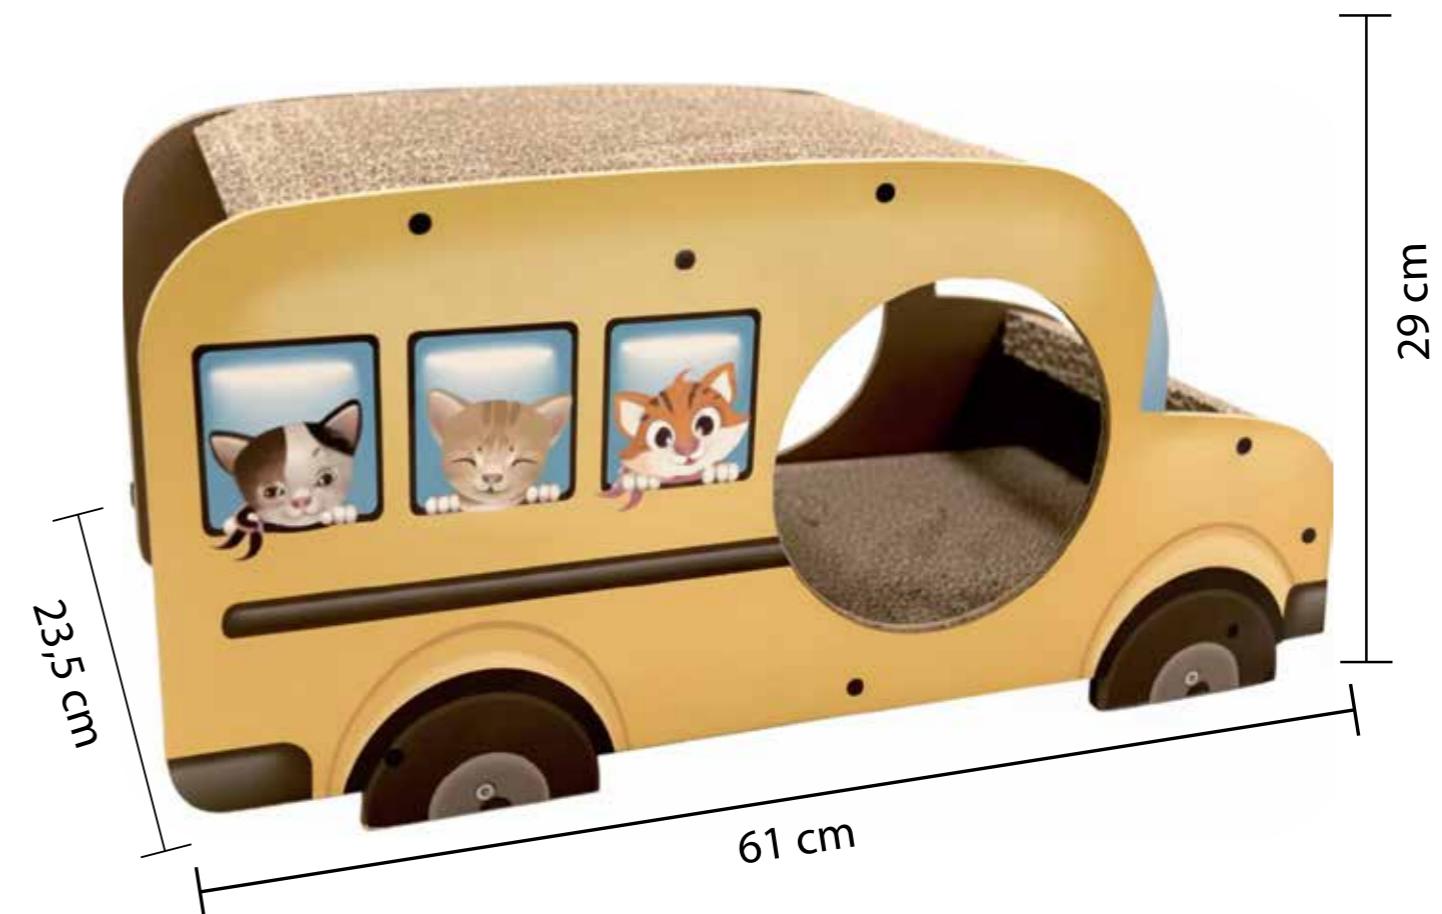

**EP-846**

56,5x39,5x42 cm

# SCHOOL BUS SHAPE

This cheerful yellow school bus cat scratcher, adorned with cute kitten passengers in the windows, offers a dual function: a beloved corrugated scratching surface and a cozy hideaway for your cat.

**SY-159**

61x23,5x29 cm

# SMALL SILVER SOFA SHAPE

The carved frame design and mini decorative pillows add visual appeal, making it a perfect fit for the living room or bedroom. The sturdy, cat-preferred scratching material helps sharpen claws and stretch the body, protecting your real sofa from damage.

**EP-643**

53x27,2x27,5 cm

# LARGE SILVER SOFA SHAPE

An exclusive scratching sofa with an elegant classic design, offering a wider scratching and resting space for your beloved cat. It is made from sturdy material (corrugated cardboard) to keep claws healthy and keep your cat away from your real sofa.

**EP-797**

75x35x27 cm

# GREEN SOFA SHAPE

Protect your home furniture from cat scratches by providing a more appealing scratching spot! This Sofa Scratcher is specially designed for your pet's comfort and your home's aesthetic.

**EP-718**

53x27,2x27,5 cm

# LARGE GOLDEN SOFA SHAPE

Experience ultimate comfort with the Large Golden Sofa Shape Scratcher. With its more spacious design, this sofa scratcher is the perfect blend of a premium pet bed and an elegant play area.

**EP-798**  
75x35x27 cm

## PINK SOFA SHAPE

Add a touch of elegance to your cat's favorite corner with the Pink Sofa Shape Scratcher. Its unique asymmetrical design and soft pink hue make it a perfect blend of a premium lounge and a stylish scratching post.

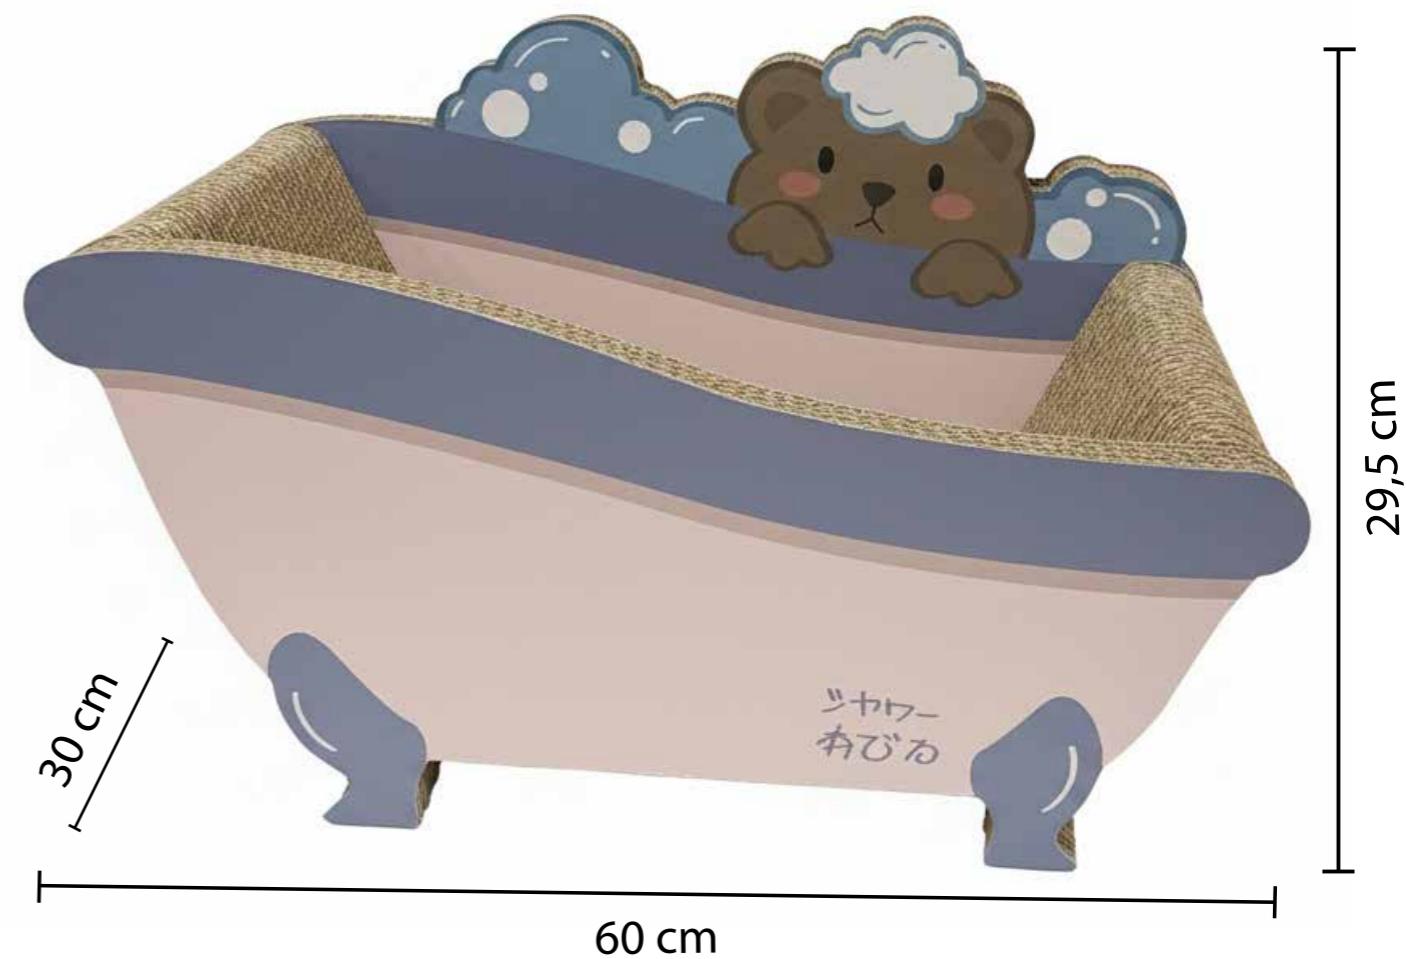

**EP-802**

60x30x29,5 cm

# SMALL BEAR BATHTUB SHAPE

Give your fur baby a cute and functional spot to relax and sharpen their claws! This scratch board features a unique bathtub design, complete with adorable bear accents.

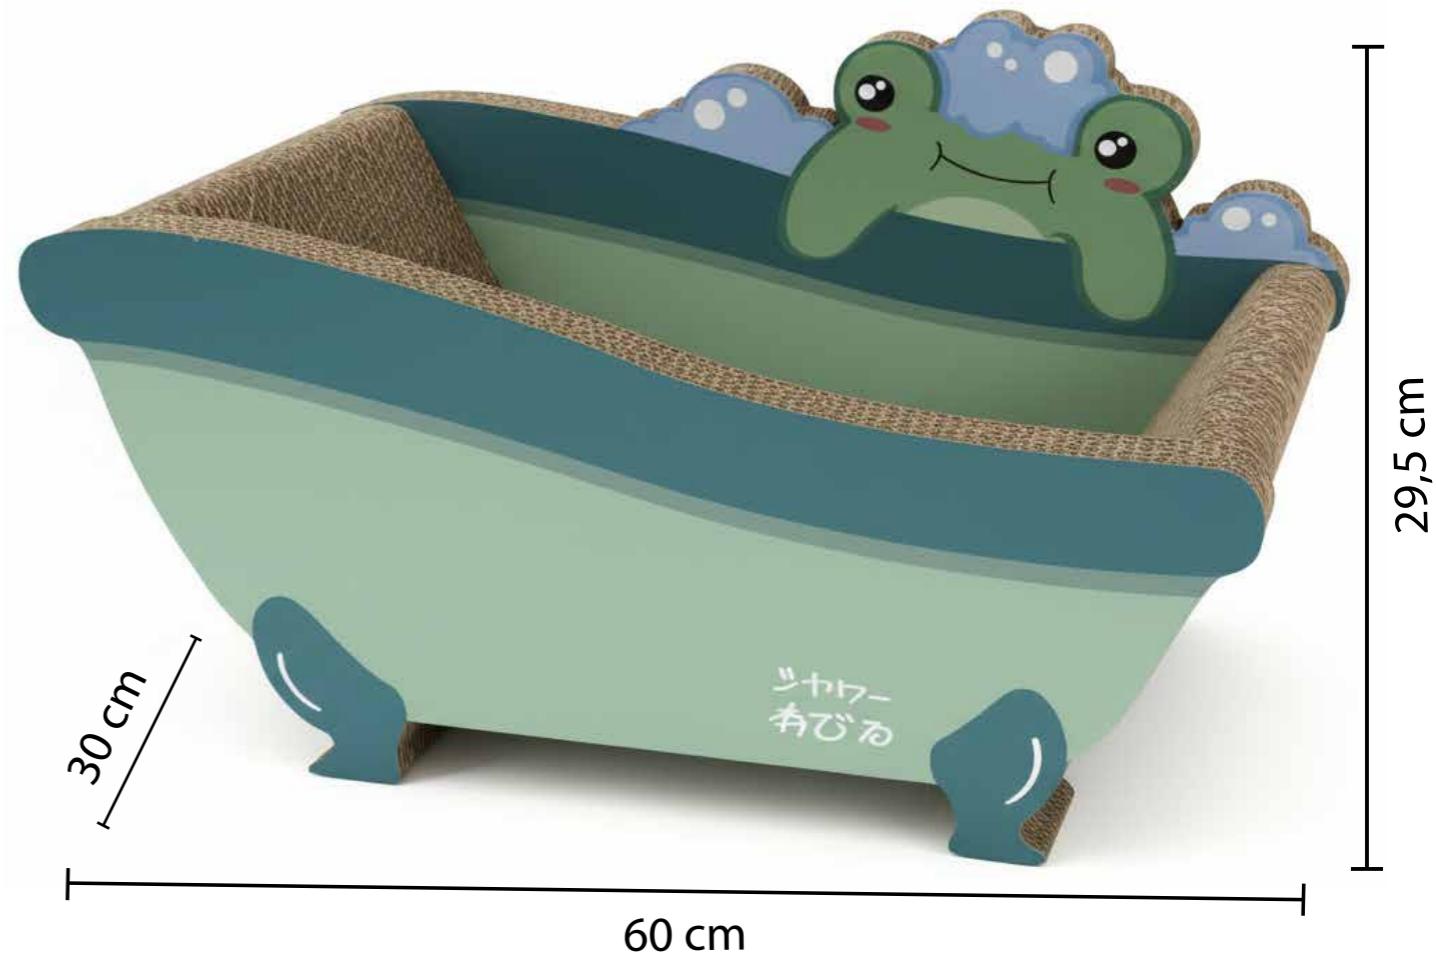

**EP-531**

45x27x27 cm

# FROG BATHTUB SHAPE

Give your fur baby a cute and functional spot to relax and sharpen their claws! This scratch board features a unique bathtub design, complete with adorable frog character accents. A bathtub-shaped scratcher in a fresh, aesthetic green color. Serves as both a cozy cat bed and a spacious scratching area. Made from thick, durable cardboard that cats love and is built to last.

**EP-532**

45x29x29,5 cm

# CHEESE STUMP SHAPE

Give your cat a 'grate' place to relax! This cheese-wheel-inspired bowl scratcher offers a snug and safe environment. Its curved, circular shape mimics a natural nest, providing the perfect nook for your cat to curl up and sleep.

**EP-698**

38,5x28,5x11 cm

# PANDA STUMP SHAPE

Provide the best resting spot for your cat with the Panda Stump Shape Scratcher. The ergonomic bowl shape fits your cat's curled-up position perfectly, serving as both a comfortable bed and a functional scratching area.

**EP-699**

38,5x38,5x11 cm

# CHOCOLATE STUMP SHAPE

Treat your pet to the ultimate sweet escape. Designed like a tasty chocolate wafer, this bowl scratcher offers a comfortable place to nap and a durable surface to sharpen their claws.

**EP-698-1**

38,5x38,5x11 cm

# LIGHT WOOD GRAIN ACCORDION SHAPE

Beyond a basic scratching post, this interactive toy features a transformable accordion design. Create different configurations to provide your cat with a fresh experience every time and prevent boredom.

# DARK WOOD GRAIN ACCORDION SHAPE

Give your beloved cat the ultimate innovative space to play and sharpen their claws! This scratcher features a flexible Accordion Shape design that can be transformed into various shapes to suit your cat's every whim.

**EP-811**

Ø24x10 cm

# WOOD GRAIN ROUND SHAPE

Designed with a stylish wood grain finish, this circular toy fulfills your cat's natural urge to scratch. It features a built-in scratching pad in the center and an engaging ball track around the edge to keep them active and agile.

**EP-367**

33x33x5,5 cm

# NEW WOOD GRAIN ROUND SHAPE

The center scratcher promotes healthy claws, while the outer ball track is designed to sharpen their agility. Its new wood grain finish offers a clean, minimalist look that perfectly complements modern home interiors.

**EP-367-1**

33x33x5,5 cm

# WOOD GRAIN SQUARE SHAPE

The wood grain pattern provides a clean and elegant look that perfectly complements your modern home interior. It is made from durable materials that are strong yet safe for your beloved cat's claws.

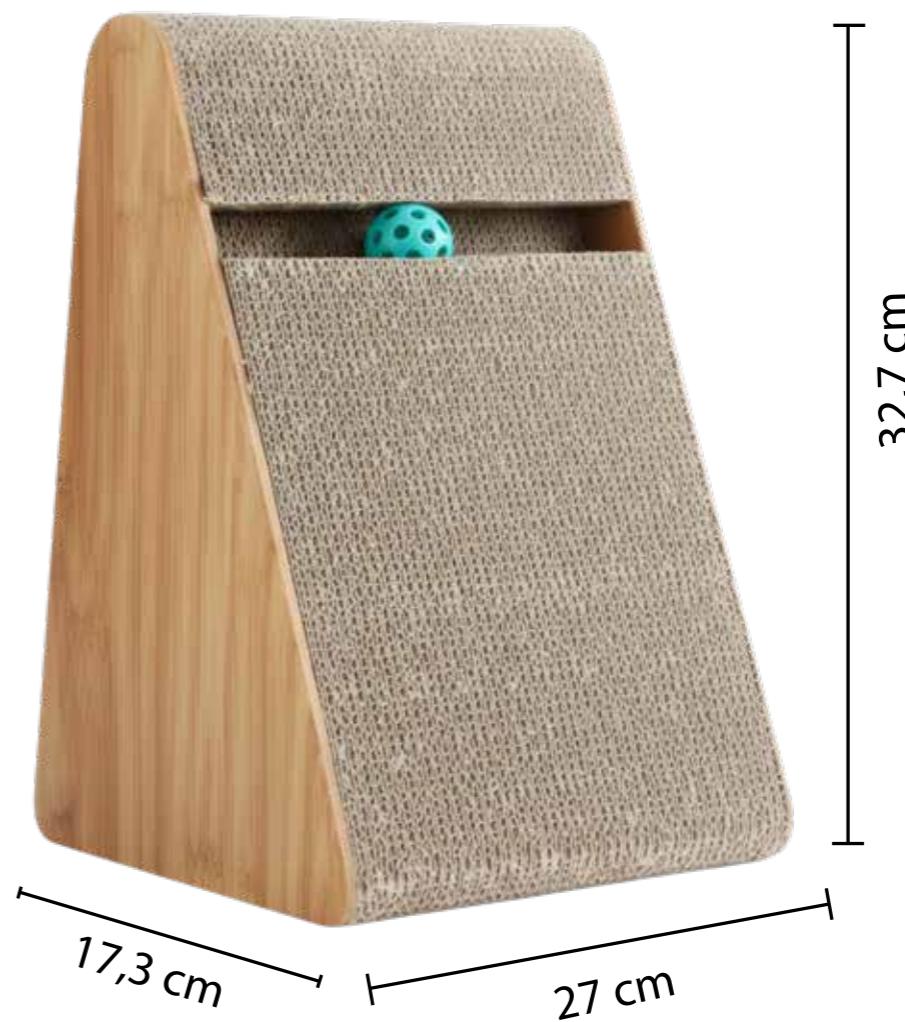

**EP-562**

33x33x5,5 cm

# SMALL TRIANGLE SHAPE

The central scratching pad helps maintain healthy claws, while the outer ball track is designed to sharpen your cat's agility and hunting instincts.

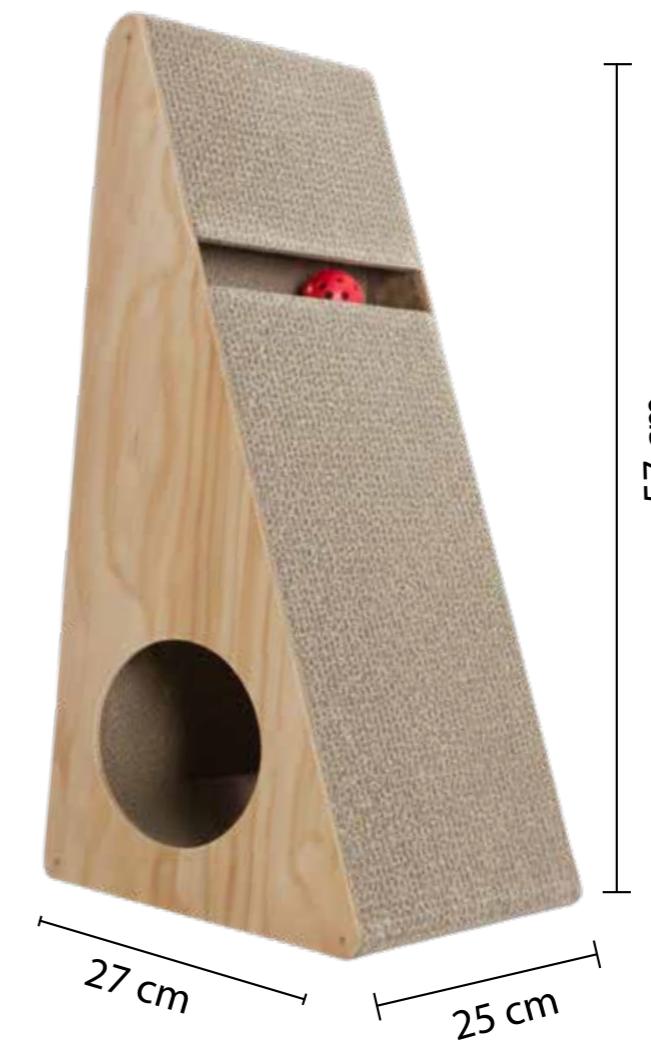

**EP-392**

32,7x27x17,3 cm

# LARGE TRIANGLE SHAPE

This cat scratcher features an ergonomic triangular design, providing maximum comfort for your cat to stretch their body while sharpening their claws. Its modern and minimalist design makes it a perfect fit for any corner of your room.

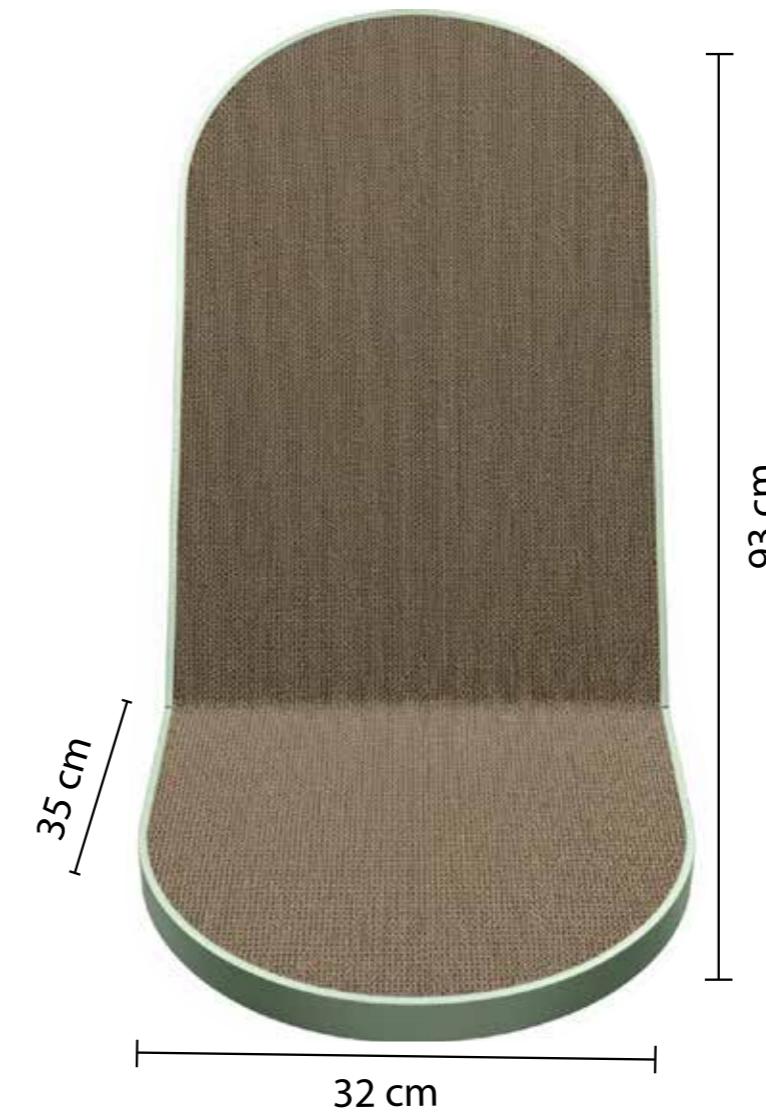

**EP-393**

57x27x25 cm

## GREEN TRACK SHAPE

This cat scratcher features a unique and functional 'Track Shape' design. Blending minimalist aesthetics with space efficiency, this product provides a large surface area for cats to sharpen their claws both vertically and horizontally.

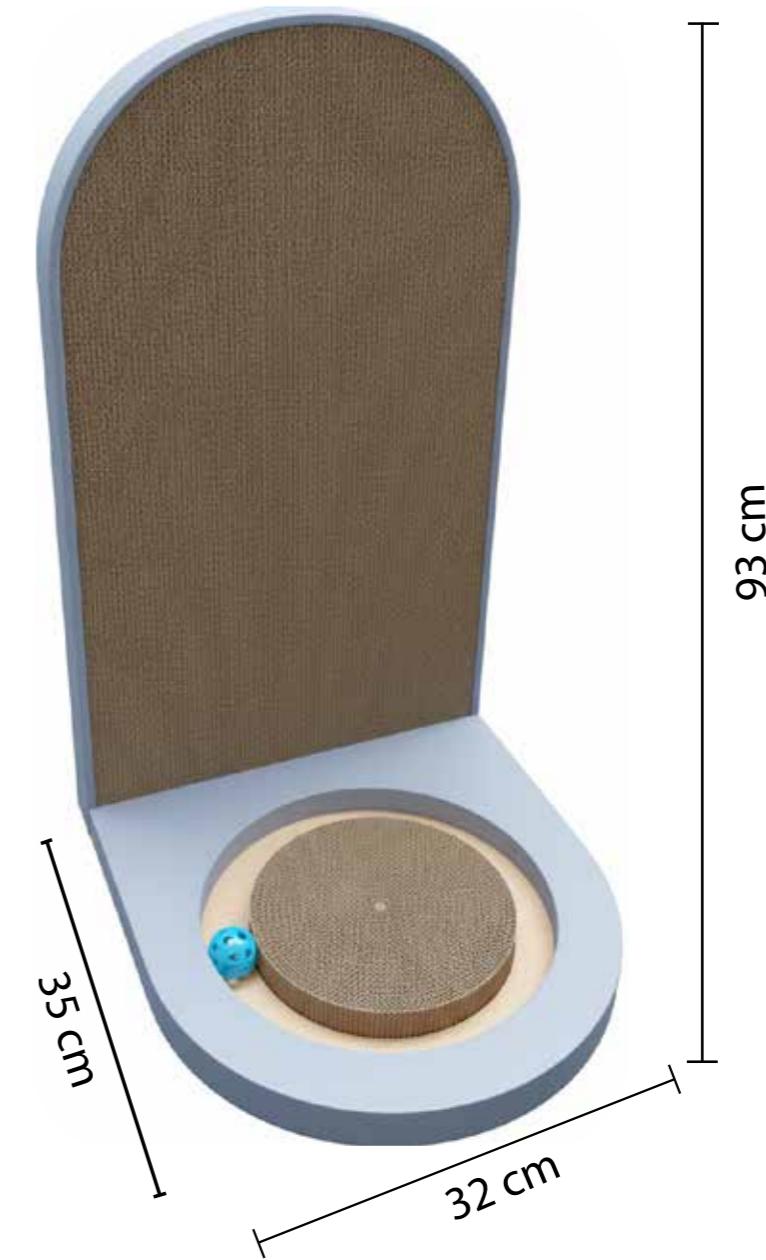

**EP-486**

93x32x35 cm

## BLUE TRACK SHAPE

The Blue Track Shape features a built-in ball track to spark hunting instincts and a tall vertical design for the ultimate full-body stretch and climbing experience.

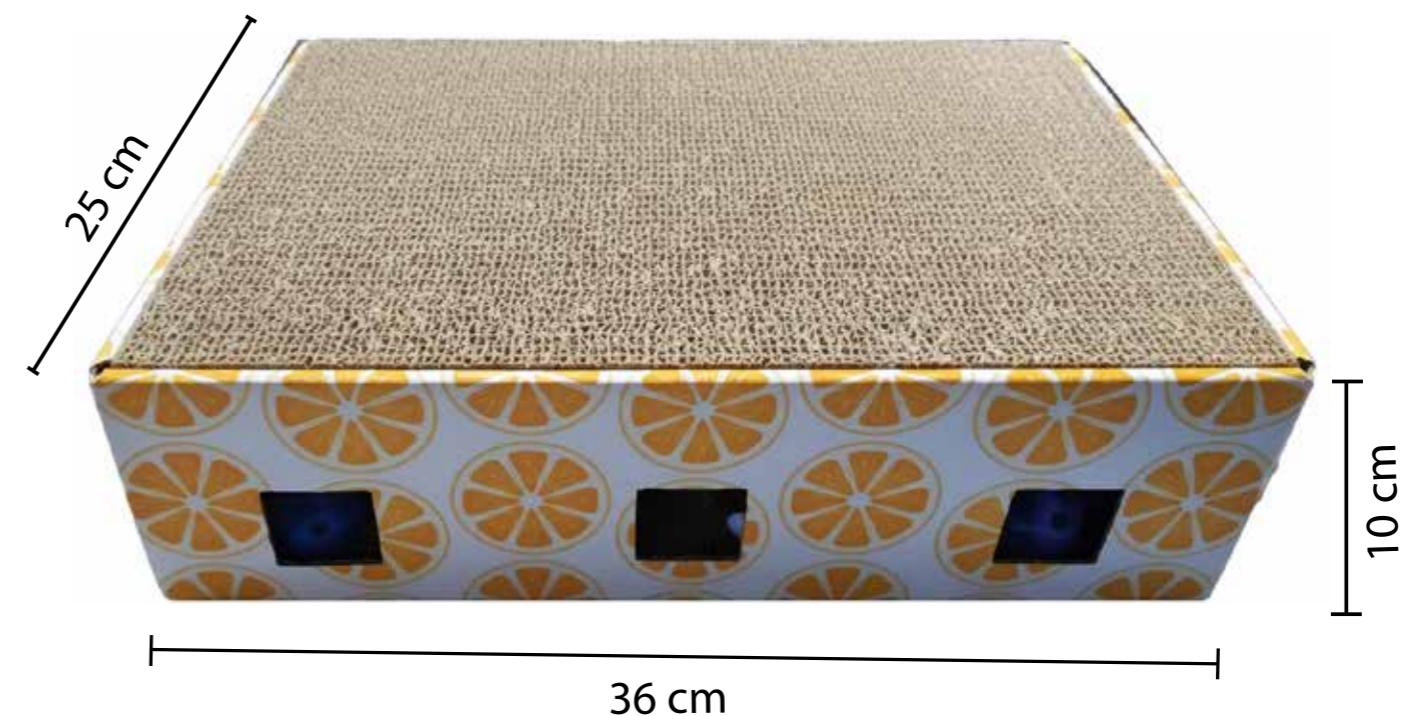

**EP-486**

93x32x35 cm

# ORANGE BOX SHAPE

The Orange Box Shape is a perfect combination of a sturdy scratching pad and an interactive toy box, featuring a bright and cheerful orange motif. While the top surface serves as a durable scratcher, the interior is equipped with small bells or balls to sharpen your cat's agility and hunting instincts.

**EP-701**

36x25x10 cm

## X SHAPE

The ergonomic curved design serves not only as a high-quality scratching pad but also as a comfortable lounge for your cat. It is crafted from durable, high-density corrugated cardboard to satisfy your cat's natural scratching instincts.

**EP-703**

49x21,5x13 cm

# TIGER PATTERN

The unique triangular design and 'Tiger Pattern' decoration bring an aesthetic and cheerful vibe to your room. It serves as both a scratcher to maintain your cat's nail health and a cozy shelter for a comfortable sleep.

**EP-711**

54x28,5x48 cm

## TIGER PATTERN

Provide your cat with a cozy sanctuary using the Tiger Pattern. This round-shaped scratching pad is designed like a nest, offering a sense of security for your furry friend while they satisfy their scratching instincts or take a peaceful rest."

**EP-712**

40x40x10 cm

## L SHAPE

Allows cats to scratch in both vertical positions (for full-body stretching) and horizontal positions (while lounging). It features a built-in track with a sliding ball to stimulate their natural hunting instincts and satisfy their curiosity, ensuring your cat stays engaged and never bored.

**EP-775**

35x30x60 cm

## MILK BOX SHAPE

This creative 'Ping Pong Player' design is more than just a scratcher; it's an interactive play area that keeps your cat active and entertained. Its interactive design features a peek-a-boo hole in the character's face, allowing your cat to play 'hide-and-seek' or peer out from the inside.

**EP-843**

32x32x56 cm

## CLOUD SHAPE

An adorable 'Cloud Shape' cat scratcher featuring charming moon and star accents to elevate the aesthetic of any corner in your home. Crafted from high-density, durable corrugated paper, it is designed to be long-lasting while remaining perfectly safe for your cat's claws.

**EP-805**  
57x29,5x25 cm

# ALPACA SHAPE

An adorable 'Alpaca Shape' cat scratcher, specially designed in an L-shape to provide a wider scratching area for your furry friend. It allows cats to scratch while stretching their bodies both vertically and horizontally.

**EP-880**

40x31x40 cm

# PING PONG PLAYER SHAPE

This creative 'Ping Pong Player' design is more than just a scratcher; it's an interactive play area that keeps your cat active and entertained. Its interactive design features a peek-a-boo hole in the character's face, allowing your cat to play 'hide-and-seek' or peer out from the inside.

**EP-612**

41x56,5x28,2 cm

## BC RADIO SHAPE

Designed with a minimalist box shape resembling a classic radio, this product combines a private resting place with an exciting play area. The spacious entrance makes it easy for cats to enter, hide, or sleep peacefully inside.

**EP-621**

59,7x24x23,8 cm

## RADIO SHAPE

This product is both a cat bed and a cat scratcher, featuring a unique retro radio design. It is perfect for providing comfort for your beloved cat while also enhancing your home decor.

**EP-649**

44x23x34 cm

## ELEPHANT PATTERN

This product is both a cat bed and a cat scratcher, featuring a unique Elephant Pattern design. It is perfect for providing comfort for your beloved cat while also enhancing your home decor.

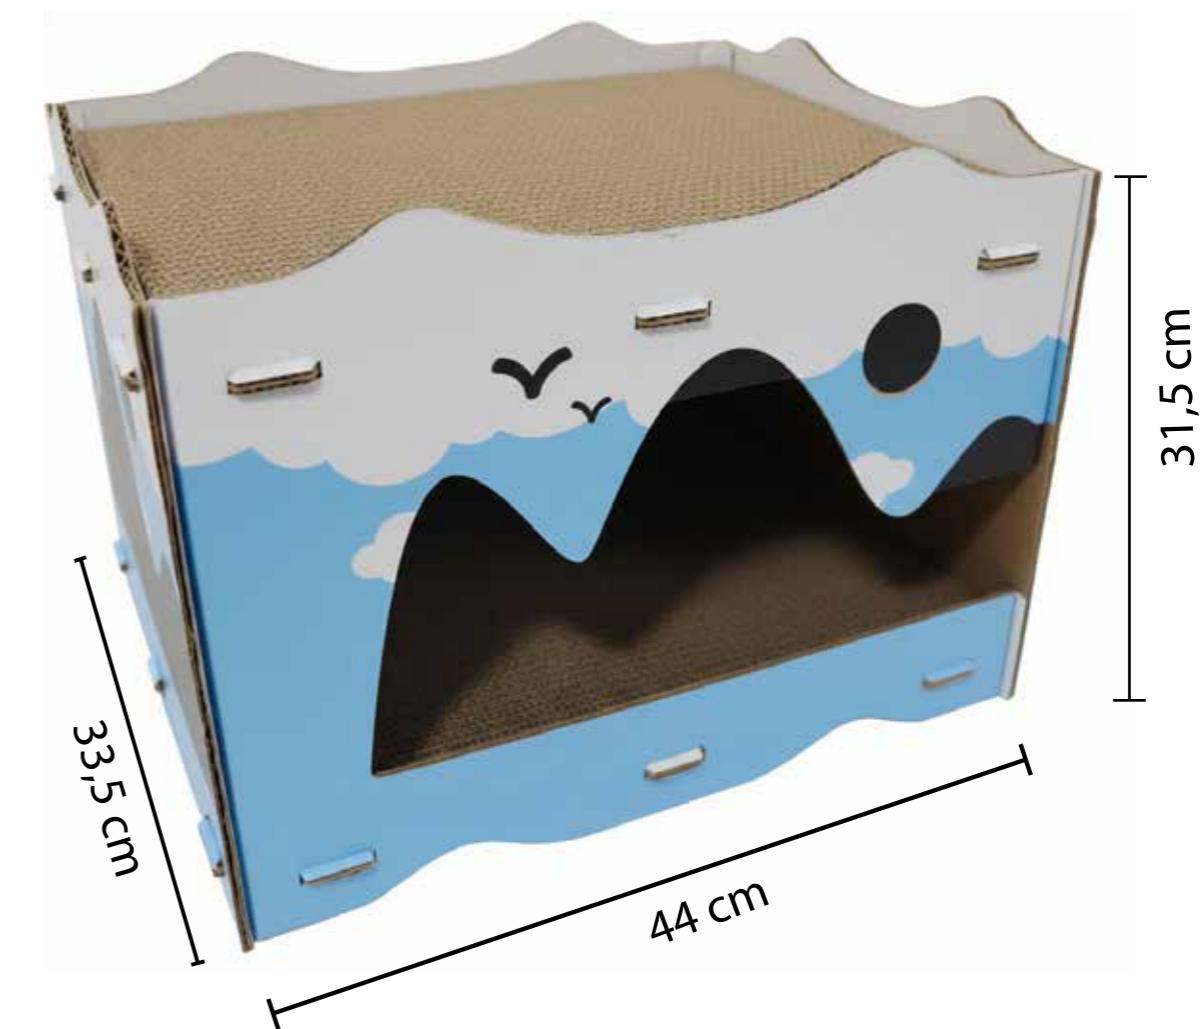

**EP-890**

44x33,5x31,5 cm

# LANDSCAPE PATTERN

This product is both a cat bed and a cat scratcher, featuring a serene Landscape Pattern design. It is perfect for providing comfort for your beloved cat while also enhancing your home decor with a minimalist natural touch.

**EP-891**

44x33,5x31,5 cm

# KITTY CAT SHAPE

Features a charming cat-head silhouette complete with an iconic red bow accent. This versatile piece serves as a premium scratching surface, a comfortable lounger, and an engaging play area for your favorite feline.

**SY-818**

35x25x30 cm

## LUCKY CAT SHAPE

Bring joy to your home with this adorable Lucky Cat themed scratcher! Designed with a sturdy and spacious surface, it offers maximum comfort for your cat to scratch, play, and lounge all at once.

**SY-490**

38x23x33,2 cm

## PURPLE HOUSE SHAPE

This cat house features an aesthetic classic house design in purple, adorned with cheerful garden illustrations. Beyond being a comfortable resting spot, it is also equipped with peek-a-boo holes for your pet.
