# PADDED PILLOW SOFT COLLAR

Helps protect injuries or wounds from further damage. These collars prevent your pet from licking or chewing at an injury on its body, or from scratching or pawing at its face or head. Made with soft and comfortable material, guaranteed to make your pet comfy.

Advantages of pet anti licking ring

• Fine print

• Adjustable size

• PP Cotton fill

Besides being sick, sterilized and injured, pet can also be used as pillow and decoration.

Choose the right size for pets of different sizes

Comfortable soft ring, wearing does not affect the pet's vision and movement, and moves freely.

The inner ring can be adjusted according to the neck circumference, which is more suitable and not easy to break free.

# COLOR PET MUZZLE

## How To Use Dog Muzzle

Step 1: Pre-install the muzzle and adjust the size of the 4 straps to the appropriate position.

Step 2: Open the buckle and insert the strap connecting the buckle into the O-ring of the 3 straps below the muzzle.

Step 3: Place the muzzle on the dog's mouth again, then insert the strap connecting the buckle into the O-ring of the strap above the muzzle, making sure to secure the strap connecting the buckle behind the dog's ear.

Step 4: Check the tightness of each strap for a comfortable fit and reward treats for dogs to get used to wearing muzzle asap.

If it is the first time your dog wears a muzzle, give him some time to adapt please

Effectively prevent accidental eating, damage to furniture and fighting
