# FOUR LEAF CLOVER

This is a food puzzle toy (snack dispenser). Dogs must use their noses and paws to slide or open the covers to access the hidden treats or dry food inside.

**HS067**

Size: 23\*8\*23 cm

# FRISBEE

This Frisbee (flying disc) toy is designed for intense and enjoyable games of fetch. It is made from TPR (Thermo-Plastic Rubber) material, which is known for being flexible, lightweight, and durable. It is ideal for dog chewing yet remains safe

# TPR TOY

This interactive toy combines durable TPR (Thermo-Plastic Rubber) material with a sturdy braided rope, making it ideal for satisfying your dog's instinct to chew and play tug-of-war.

**PT097**

Size: 22 cm

The ridged stick/rod can be filled with kibble or dry treats in its grooves or crevices. This transforms mealtime into a puzzle game that slows down eating and combats boredom.

**PT025-1**

Size: 23 cm

# LATEX TOY

These toys feature various adorable and colorful characters, designed to keep your dog happy playing and chewing. They are made from Latex, making them soft, flexible, and safe for dogs to chew, and they squeak when squeezed! Latex is also often a good choice for dogs that are sensitive to harder plastic or rubber materials.

# LATEX TOY

These toys feature a series of expressive characters. They are made from Latex, making them soft, flexible, and safe in your dog's mouth. All models have a loud squeaker when pressed (typical of latex toys), which is highly appealing to dogs.

# COTTON ROPE

A toy designed for Tug-of-War activities. It features a combination of strong Cotton Rope for biting and pulling, and a central part made of textured Rubber/TPR material.

**PT305**

Size: 26 cm

**PT189**

Size: 26 cm

# COTTON ROPE

Cotton Rope Tug & Chew Toys. The rope fibers act like natural dental floss, helping to clean between teeth and massage the dog's gums as they chew or pull. They are made from sturdy Cotton Rope, which is safe and durable for chewing.

**PT121**

Size: 39 cm

# COTTON ROPE

Cotton Rope, Tennis Ball, & Plushie Combo Toy. This versatile toy combines strong Cotton Rope, a standard Tennis Ball, and a soft Plush animal head. The sturdy knotted rope ends are ideal for durable tug-of-war games. The cotton rope fibers help clean teeth and massage gums, while the tennis ball provides good weight for fetching and a different chewing texture.

# PLUSH TOY

Interactive Rope Animal Plushie Toy. The combination of Plush (Soft Fabric) for the head and body parts, and thick, sturdy Cotton Rope for the limbs and main rope, makes it ideal for intense tug-of-war games. The cotton rope fibers act as natural dental floss, helping to clean between teeth and massage the gums when the dog chews.

**PT265-4**

Size: 35.5 cm

**PT265-5**

Size: 38 cm

# PLUSH TOY

This toy is a blend of soft plush for the character part and braided Cotton Rope for the ring or handle. The sturdy rope section is perfect for tug-of-war games and helps clean the dog's teeth when chewed. The soft plush part is suitable for light chewing, fetching, or serving as a comfort toy for cuddling.

**PT054**

Size: 25\*35 cm

**PT322**

Size: 20 cm

# PLUSH TOY

This toy is a plushie set designed to engage dogs in an exciting game of search and chew. The toy's container/bag produces a crinkle sound when held or bitten, mimicking the sound of plastic packaging. The separate small 'treats' let out a squeak sound when pressed, adding excitement when the dog chews these small pieces.

**PT026**

Size: 8\*17 cm

# PLUSH TOY

This lightweight and soft plush toy is designed with funny food characters, perfect for light play sessions and cuddling by your dog. This toy has material inside that produces a crinkle sound when played with.

**PT215**

Size: 10\*16 cm

# PLUSH TOY

This plush toy is designed for dogs who prefer lightweight and flat toys, perfect for fun shaking, gentle fetching, and flapping games.

**PT173**  
Size: 29 cm

The bottom section of the toy (the blue, black, or yellow area) has material inside that produces an engaging crinkle sound when held or bitten by the dog.

# PLUSH TOY

This plush toy is designed for dogs who love to shake and chew. It features Plush (Soft Fabric) resembling fur, shaped like an elongated and flat raccoon character. The toy is Stuffing-Free, making it safe and mess-free. This design makes it easier for the dog to grip and shake. It has no squeaker or crinkle sound, making it suitable for quieter play sessions.

**PT079**

Size: 42 cm

# PLUSH TOY

This plush toy features adorable animal characters with an engaging combination of fabric textures. The bottom or main body section of the toy produces a crinkle sound when held or bitten. This sound is highly appealing to dogs and encourages them to keep playing.

**PT060**

Size: 18 cm

# PLUSH TOY

Plush (Soft Fabric) with a corduroy texture on the animal's body, combined with Braided Rope on the tail or body section. The knotted rope tail is ideal for tug-of-war games and helps to lightly clean the dog's teeth.

**PT193**

Size: 22 cm

# PLUSH TOY

Plush (Soft Fabric) with a comfortable corduroy texture on the head/body section, combined with Braided Rope for the legs. The legs, made from sturdy braided rope, are ideal for tug-of-war games and for the dog to shake

**PT225**

Size: 26 cm

# PLUSH TOY

This plush toy features adorable small animal characters with a combination of textures, making it ideal for dogs who love to carry and cuddle their toys. It is made of Plush (Soft Fabric), combining short-pile fur fabric with textured fabric (such as knit or corduroy fabric) on some parts.

**PT036**

Size: 13\*19 cm

**PT192-1**

Size: 17 cm

**PT192-2**

Size: 19 cm

# PLUSH TOY

This plush toy is designed for gentle play sessions, light fetching, and satisfying a dog's instinct to 'hunt' and shake their toys. It features Plush (Soft Fabric) with varied textures (furry/short-pile fur) and feather-like details. It is perfect for light chewing, carrying around, and cuddling.

**PT089**

Size: 31 cm

**PT090**

Size: 46.5 cm

# PLUSH TOY

This plush toy is designed for vigorous shaking and excited play, featuring a long and flexible neck and limb design, ideal for dogs who love to shake their 'prey.' It features Plush (Soft Fabric) with a dotted or striped texture on the neck and limbs.

**PT167**

Size: 37.5 cm

# PLUSH TOY

These adorable and brightly colored dog toys are designed to keep your canine companion happy and engaged!

The main feature of this product is its Eco-Friendly nature. It is made from cotton, making it a soft yet sturdy choice for your dog's playtime. The toys come in various cute and colorful animal characters. The characters feature a textured, ribbed fabric (likely corduroy) that is appealing to dogs.

**PT210**

Size: 30 cm

# PLUSH TOY

This plush toy features vegetable characters, designed for gentle play sessions, light fetching, and definitely fun with its sound feature. Each character is equipped with a hidden squeaker inside. This loud sound is highly appealing to dogs, triggering their play instinct, and adding excitement during chewing.

**PT055**

Size: 26\*40 cm
